

50 More Camps In Donner Park Are Planned This Year

Work Will Start As Soon As Conditions Permit At Grounds

The state public works board has approved the spending of \$80,900 for construction of a minimum of 50 additional campsites at Donner Memorial State Park, the Capitol News Service reports.

The money had been appropriated in 1959 and the board action was necessary for actual beginning of construction.

The \$80,900 will build at least 50 units and possibly more and will provide for two wash houses and two comfort stations.

Each campsite will consist of a stone stove, cupboard, parking space, water and table.

The expenditure was approved without discussion and work will start as soon as beaches and parks can make arrangements to get the park in condition to make the project permissible.

Johnson Praises Olympic Games

Congressman Harold T. Johnson, representing the second congressional district, has caused to be printed in the Congressional Record of February 29, a five minute address declaring the success of the VIII Olympic Winter Games at Squaw Valley.

Johnson was one of the prime leaders in bringing the games to Squaw Valley, devoting much of his own time, efforts and money to assure the success of the venture.

In his talk, Johnson praised the efforts of the planners, the military and leaders in the program for performing an outstanding service to the country and said, in referring to the government's participation:

"May I assure the Congress that the money was well spent."

He pointed out the international good will which was promoted through the games and declared:

"Conditions were perfect throughout the entire competition period making this one of the greatest, if not the greatest, of winter Olympics. The setting was a natural amphitheater which displayed the natural beauty of the Sierra Nevada Mountains. This was perfected through the development of excellent facilities, praised by participants and spectators alike."

MRS. QUAM FETED AS BABY SON ARRIVES

Mrs. Jerry Quam and infant son, Curtis Edward, have returned home from Tahoe Forest Hospital where the baby was born at an early hour, Friday, March 4. Curtis first tipped the scales at 8 pounds, 8 1/2 ounces.

A shower of gifts awaited the new arrival by a matter of hours when Mrs. Julius Jones and Mrs. Thomas Dolley were hostesses at a party on Thursday evening at which Mrs. Quam was to have been present as the guest of honor, but was at that time in the hospital awaiting the boy's arrival.

Spring shades of yellow and green were carried out in the party appointments and the special cake. Games and visiting were shared by the 14 friends of the complimented mother. Others included in the pleasant affair were Mesdames Robert Tonini, Frank Giovannoni, Frank Giovannoni, Jr., Zeph Rose, Estelle Thomas, Aaron Thomas, Chas. Gozzi, Harold Brown, Terry Tollefson, N. Roberts, David Rose, Oliver Crose.

EASTERN STAR WILL HOLD ST. PAT PARTY

St. Patrick's Day theme will be carried out in the appointments of the March 15 meeting of the Truckee Chapter No. 116, Order of the Eastern Star, with Margaret Craig, worthy matron and Sam Faulkner, worthy patron, presiding.

Refreshment chairman for the evening will be Freda Smith and Anita Allison will be hostess.

The Deputy Grand Matron will make an official visit to the local chapter during the April 5 meeting.

MOREY RESIGNS AS MANAGER OF TPUD

Daven Morey, manager of the Truckee Public Utility District since September, 1958, tendered his resignation to the board of directors last month and it was accepted at a meeting held Tuesday night.

Morey did not immediately announce his future plans but said he planned to remain with the district until a replacement has been employed.

Home At Donner Is Damaged In Fire During Past Week

The home of Sherman Green in Donner Pines Extension, near the Builders Service Center, was badly damaged by fire which apparently started in an upper story at 3 p. m. Tuesday.

Only the fast and effective work of the dozen or so firemen from the Donner Lake Volunteer Department prevented a total loss. Ivan Toft of the department said 70 per cent of the building was saved, although damage by smoke and water was done to the lower floor.

Truckee volunteers and one truck went to the aid of their neighbors, but their work was not required.

The loss was not covered by insurance, it was reported. Fire Chief Hap Warnke directed the operations.

Eminent Domain At Squaw Passes

The state assembly ways and means committee has given its approval to legislation to give the state park commission authority to acquire by eminent domain additional land in Squaw Valley, for operation as a state park.

Under consideration is the acquisition of additional property in converting the area into a state operated mammoth winter and summer sports facility.

Under present law, enacted in 1957, the park commission is prohibited from condemning any additional property without the prior approval of the legislature.

The bill approved by the ways and means committee, AB 1, Unruh, would repeal that ban. Next legislative action will be a vote on the assembly floor.

WOMENS SOCIETY IN MONTHLY MEETING

The regular monthly meeting of the Woman's Society of Christian Service met at the parsonage with Mrs. James Harris and Mrs. Lyle Hubbard assisting the hostess, Mrs. George Symonds.

Mrs. Taylor's talk was oriented to the March program subject: "How Total Is My Membership?" The group also enjoyed hearing of her last summer's trip to Alaska where she visited the W. S. C. S. sponsored Jessie Lee Home for children.

The March study group on the gospel of St. Luke led by Rev. George Symonds will meet Thursday mornings at 10:15 at the parsonage. Anyone interested is cordially invited to attend.

A letter from Hannah Stewart was very much enjoyed.

Thanks were extended to all those generously responding to the Foodless Food Sale now in progress.

An invitation has been received from the First Methodist Church, Reno to attend a meeting honoring Mrs. W. R. Landrum, field worker for the Division W. S. C. S., Friday afternoon, March 11 from 1 to 3. Anyone needing transportation may call LUTHER 7-3709.

TRUCKEE ELIGIBLE TO PLAY STATE TOURNEY

LOVELOCK, Nev. — Prospects for a still livelier state tournament of the National Baseball Congress resulted this week when baseball-minded Truckee, became eligible to take part. The tournament will be an important part of the Lovelock July 4th celebration.

Permission was received this week from Raymond Dumont, national president and S. L. "Brick" Swegle, California state commissioner of Walnut Creek. Reporting the action was Lloyd Newton of Lovelock, Nevada, state commissioner.

In applying for the transfer, Commissioner Newton sent newspaper clippings showing that the high school competes in a Nevada conference and that the town team is a regular member of the Sierra Nevada Baseball League.

Last year Truckee was not eligible for the tournament.

Owens Guests—Mrs. Laurence Owens and Herman Owens entertained several guests during the Olympic Games including Dr. George Kelley of San Francisco and Mrs. Ann Prather and Miss Olga Owens of Millbrae.

Lee Apple Named To Presidency Of C. of C. At Election

Ivan Toft Vice President; Dolley Manager Of Booster Group

Lee Apple, manager of the Truckee branch Bank of America was elected yesterday to be the new president of the Truckee Donner Chamber of Commerce.

Apple succeeds N. F. Dolley, president for the past two years, who was appointed manager of the chamber by Apple at yesterday's meeting.

Ivan Toft, motel resort owner of Donner Lake was chosen as vice president, succeeding Zeph Rose, who declined the office of president because of stress of other business. Mrs. Robert Tonini was reelected as secretary-treasurer of the chamber.

Apple said he would appoint the 18-member board of directors at the next meeting to be held Wednesday, March 23 at Smart's.

Dolley was given a vote of thanks for his efforts in bringing success to the chamber during his incumbency.

Planner Points To Water Needs Here

AUBURN — Stewart B. Bryant, Placer County planning director, in a report to the California-Nevada Interstate Compact Commission, has estimated 5,964,000 gallons of water a day should be allocated for future development of the Truckee River watershed within the county.

Bryant projected the urban saturation point, thought to be in the Martis Valley southeast of Truckee, Nevada County, would reach a population of 21,000 with some 8,000 scattered in the recreational areas of the basin.

The report was prepared under the direction of the Placer County Water Agency and the county planning commission and was reviewed by the legal and engineering staff of the agency.

Bryant stated in the report the planning office "is in no position to estimate the possible sources of water supply, or how much of this water will either be taken from the Truckee River or returned to it as sewage effluent."

NEW MEMBERS JOIN TAHOE EMBLEM CLUB

TAHOE CITY—The Lake Tahoe Sierra Emblem Club No. 347 held an initiation of new members during their business meeting on March 4 at the Crystal Bay Club.

The following were initiated into the club: Myrtle Carnell, Pearl Snyder, Constance Gill, Mary Kimball, Ethel Shaver, Ivy Kimball, June Mandeville, Hazel James, Carol Wisdom, Midge Daft, Estelle Molsberry, Nellie Porath, Ann Ross, Margaret Kastrup, Betty Keechler, Arlene Dunne and Alberta Stark.

The charter remains open until June. Anyone eligible wishing to join may get in contact with Membership Chairman Mrs. Mickey Day, phone JUNiper 3-3330.

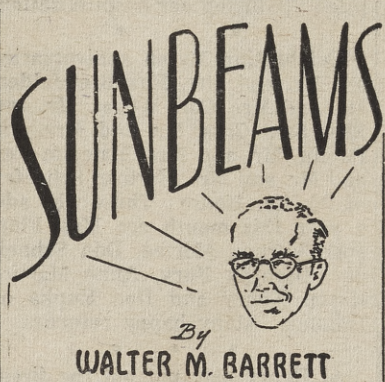

A social meeting will be a luncheon and card party to be held at Bacchi's Inn on St. Patrick's Day, March 17 at 12:30 p. m. Guests are invited. Reservations for the affair may be made by calling JUNiper 3-3567.

DOG ORDINANCE IS STILL UNDER STUDY

The Nevada County Board of Supervisors is making a study of the joint agreement with the cities of Grass Valley and Nevada City for joint use of the existing animal shelter before adopting a dog control ordinance.

This assurance that the matter has not been forgotten was given to Mrs. William Fordham, who circulated a petition calling for the ordinance last year after a number of people were bitten by stray dogs in the area.

In a letter to Mrs. Fordham, County Clerk John Trauner said a suitable dog ordinance would be arrived at as soon as possible.

By WALTER M. BARRETT

With the Olympic Winter Games a matter of pleasant history, thoughts naturally turn to the future of Squaw Valley as a permanent state park and how it can best serve the people of California who have a stake in the facilities.

One thing is rather definite and that is that Blyth arena will be a permanent fixture in the valley. Some Sacramento and bay area hopefuls have expressed the possibility of removing the huge structure to their region, but the arena is the property of the United States and has a fixed location.

It is easy to visualize the many uses to which it can be put as a convention center, a concert hall, an arena for staging all types of future athletic events and most certainly as a skating rink.

Beaches and parks undoubtedly have scanned the many and varied possibilities which are apparent and will put the elaborate and beautifully designed structure to its full use.

There is little doubt that the many facilities in the valley will be used to their full capacity for both winter and summer and that they will serve as a hub around which will eventually be built the largest and best winter and summer sports region in the world.

There can remain little doubt in anyone's mind that the money spent and the efforts which went into developing the valley were certainly well spent. Only by abandonment or lack of interest on the part of the new custodians can the future of this region be doubted.

FOUR NEW CITIZENS ARRIVE AT HOSPITAL

Four new citizens for Lake Tahoe arrived at Tahoe Forest Hospital for their respective parents during a period of four days, the first being little Shelly Lynn on Friday, March 4, her parents are Mr. and Mrs. Hans Stueven of Tahoe City. Shelly admitted to a first weight of 7 pounds, 9 1/2 ounces.

Mr. and Mrs. Wendell (Jack) Boatman of Kings Beach welcomed the parents of a son named Craig Wesley on March 6. He tipped the scales at 8 pounds, 5 ounces.

Sunday was also the birth date of Christopher Seth, son of Mr. and Mrs. Ray Brewer of Kings Beach. The boy weighed in at 7 pounds, 11 ounces.

Mr. and Mrs. Ronald West of Kings Beach welcomed their daughter, Rebecca Leone on Tuesday, March 8. The baby's arrival weight was 6 pounds, 12 1/2 ounces.

TWO CAR ACCIDENTS REPORTED IN AREA

Two single-car accidents during the past weekend were reported by the California Highway Patrol. Neither was of a serious nature.

Four teenagers were shaken up and the driver, Henry J. Chavez, 18, Barstow, was injured when their car ran off Donner grade 2 1/2 miles from the gate. The three passengers, Warren A. Little, 18, and Loretta Weaver, 15, both of Pittsburg and Patricia L. Moore, 16, Barstow, were not hurt. The car was east bound Friday at 7:30 a. m. when the mishap occurred.

In the second accident, Roy W. Collins, 27, Truckee was taken to the Tahoe Forest Hospital when his car ran off the road just west of Donner Lake gate Saturday at 5:45 p. m. He told officers something went wrong with the steering.

CITIZENS WARNED OF REGISTRATION CLOSE

Mrs. Eve Hallett, deputy registrar of voters in this community, has pointed out that registration for the June primary election closes April 14 and urges everyone not now qualified to vote to do so at the office of the Truckee Public Utility District.

Those who did not vote at the last general or primary election, who have moved into another precinct or have changed their names or desire to change parties are required to re-register.

VACATION IN ISLANDS

Perfect summer weather conditions are prevailing in Hawaii, according to a telephone call Mrs. Roxie Archie received Sunday from her sister, Mrs. James McIver, who with her husband and several other couples of the Lake Tahoe district are spending a vacation. The group left by ship and plan to return later in March.

Lauren Russell spent last week at Carmel where he attended a school conducted for agents of an insurance company.

Wolverines Drop Elimination Game To Close Season

Local Hoopsters Win Over Lovelock Before Loss To Douglas

By KRIS FELTE

Tahoe Truckee Wolverines made themselves known, before being eliminated in the Northern Nevada Zone Tournament, by upsetting a well balanced Lovelock quintet 41-39.

The Mustangs, who had beaten the Wolverines twice earlier this season, could do no wrong during the first three periods of play as they enjoyed a comfortable margin throughout. TNT unleashed a terrific attack in the home stretch to nose out their Pershing County opponents.

Tahoe Truckee was unable to put together any consistent attack in the first half and totaled only a slim 10 points. Bob Merica, who was held scoreless during this period, broke loose with 9 markers to set the pace for the comeback performance.

By the end of the third canto the Lovelock margin had been shaved to seven points with the big splurge yet to come.

With four minutes remaining the margin was still five points. Coach Neil Gates pulled a surprise by inserting Sophomore JV star Doug Baxter into the lineup. Doug responded with a tip in and a jump shot in addition to his tremendous hustle.

The spark was what was needed as the locals Sam Medford and Bill Notley began stealing passes and cutting the Lovelock lead. With (Continued on Page 8)

LINDA BESOLD WEDS DALE EATON IN RENO

Miss Linda Besold of Norden became the bride of Dale Eaton at a religious wedding ceremony performed by Rev. Carlson March 3 in the Wedding Chapel at Reno, Nevada with only close friends and members of their immediate families present at the rites.

The bride chose a pink dress of ballerina length, completing her ensemble with white accessories and was attended by her sister, Miss Terry Besold. David Eaton, recently returned from Hawaii where he had been with the U. S. Navy acted as best man for his brother.

Mr. and Mrs. Edward Besold of Norden are parents of Mrs. Eaton and formerly lived at Hayward. The bridegroom is the son of Mr. and Mrs. Harry Eaton and a member of a pioneer family of Truckee. He has been a student of local schools and is presently employed here.

The newlyweds were the incentive for a reception Sunday evening, given at the home of Mr. and Mrs. Harry Eaton, a wedding cake centering the table.

Those present to wish the pair happiness included Mr. and Mrs. Edward Besold and children, Ted, David and Terry; Mr. and Mrs. Henry Loehr, Mrs. Edward Frates and daughter, Joy; Janet, Nancy and Jim Ambler, B. Speck, Douglas Single, Philip Rausch, Joe Miller and the Harry Eaton family.

DAMAGE ACTION IS DROPPED IN COURT

AUBURN — Superior Judge Lowell L. Sparks of Placer County dismissed the \$100,000 damage action of Harry L. Herzog against local Carpenters Union 2035 when it was pointed out the Hilltop Cafe, picketed by a union since February 18, is not located in Placer County.

The matter was disposed of during arguments on a demurrer filed by the union officials. The cafe in question, owned by Herzog, is located in Nevada County.

Herzog had brought suit charging illegal picketing by the union. He had also asked a temporary restraining order.

Van Sickle Wins In More Dog Races; Daughter Winner

Lloyd Van Sickle continues to add trophies to his already huge collection as a world-famous dog racer.

In Saturday's race at Pla-Vada on Donner Summit, Van Sickle came in first in the race sponsored by the Mother Lode Sled Dog Club, defeating 18 other teams entered in the grueling 18-mile course. Van Sickle ran his team of six Torgue hounds and made the course in two and a half hours.

Running a close second to Van Sickle came Stanley Rasmussen, driving Lonnie Goss' team. He was only eight minutes behind Van Sickle, who broke the trail.

Sunday, Van Sickle took his team to Ebbetts Pass where he took another first place against 15 teams, only four of which completed the course. Van Sickle's time for the course was 21 minutes and 15 seconds and second place went to a Van Nuys driver who came in in 47 minutes and 32 seconds.

During the three years Van Sickle has driven the Torgue team, he has not been defeated in a single race, having captured all the available championships throughout the west.

Light Rain Falls In Area From Storm

The rains which came during the weekend left only a light total of .70 precipitation in this area, according to Henry Toccalini of the Tahoe Forest Service at Truckee.

More snow or rain will have to fall in the balance of March to come up to the normal precipitation of 4.30 estimated for this month.

The area is behind also in the season's total with 15.48 when the normal for the season, to date is 19.43. Fifteen inches of snow remain on the ground at the station above Truckee. Tuesday's temperature was the low for the week with 23 degrees being registered, high for the same period was 47 degrees, last Sunday.

CIVIL AIR PATROL IS TO ASK FOR CHARTER

At a meeting of Civil Air Patrol held Monday evening March 7, it was unanimously decided that this newly formed squadron will seek to obtain its charter from the California Wing.

Applications to join Civil Air Patrol were given out at the meeting, and anyone who could not attend and is interested, may contact Mr. and Mrs. Hugh Weinand or Jack Houlgate. They have the necessary forms on hand.

This also applies to any girl or boy between the ages of 14 years and 18 years, who wants to become a CAP cadet. Mrs. Weinand has the necessary form for them.

There is a meeting coming up on March 19 to be held at the Veterans Memorial Building, at 1 p. m., at which time Capt. John Sellars, CAP Cadet Adviser, Sacramento Valley Area, will bring the staff from Sacramento Valley Group 4, to explain the functions of CAP and to assist in getting the staff for this squadron set up.

Mr. and Mrs. Weinand, who are already members of CAP, will attend a Mission Commanders School in Reno, Nevada, this weekend to study new search and rescue techniques.

SPELLING BEE WILL BE HIGH PTA FEATURE

A spelling bee between parents and students will be the highlight of the Tahoe Truckee High School P. T. A. meeting Thursday night, at eight o'clock, at the high school.

Students selected to compete are: SENIORS — Linda Morrell, Judy Fanger, Walt Mandeville, Judith Beck. JUNIORS — Varies Frey, Tim Ridsen, Gary Snyder, Gary Sciutto, Linda Davis. SOPHOMORES — John Holley, Bennie Ferrari, Adrienne Davis, Joanna Johnson, Willie Wilbur. FRESHMEN — Stan Lambert and Dusty Rhoades.

Mrs. James Walker is in charge of refreshments.

Welch South—Mr. and Mrs. Eugene Welch returned from a trip to Death Valley and other places in southern California.

Resolutions Seek To Save Water In Truckee System

Organizations Ask Full Use Protection For East Sierra Counties

Resolutions calling upon the California-Nevada Interstate Compact Commission to fully protect the interests of California in negotiations now pending for disposal of the waters originating in this state are being drafted and sent to authorities.

Resolutions have been prepared by the Nevada County Board of Supervisors, the Truckee Public Utility District and the Truckee Donner Chamber of Commerce.

At their meeting last week, the board of supervisors forwarded to the commission a resolution calling for the reservation of Truckee river system waters for the people of California. There was not a dissenting vote.

The resolution notes that the economy of eastern Nevada County is dependent to a large extent upon tourists attracted by the scenic and recreational values of the region. The resolution also points out the quality of the water, to insure maximum utilization for all beneficial purposes in the county, requires proper, safe and reliable methods of disposal of sewage and other waste waters originating in the Tahoe basin as well as the Truckee river system.

The resolution covered 13 important points and asked that provision be considered by the two states in formulating any compact.

UTILITY RESOLUTION

A similar resolution was offered by the utility district, emphasizing the need of protecting the water and holding them for first use by the people of California.

"The past, present and proposed encroachments, diversions, utilization, regulation and operation of the waters of the Truckee river system to date, has resulted in little or no apparent benefits to the citizens of Nevada County and the State of California," the resolution pointed out. It asked that any compact terms effecting the waters of the Truckee system should provide that greater beneficial use of the waters be reserved for California.

CHAMBER RESOLUTION

The resolution from the chamber of commerce is very like those from the board of supervisors and the utility district, calling upon the commission to disallow exportation of the waters of the Truckee system out of the state except through their natural channels and that a minimum of 75 CSF be allowed a flow from Lake Tahoe at all times.

Other clauses demand that the waters be kept pure and that fish life be not damaged through construction projects proposed under the compact.

Cecil Edmunds of Truckee and William Becholdt of Tahoe City are local members of the interstate commission.

TRUCKEE PTA WILL NAME NEW OFFICERS

The Truckee Elementary P. T. A. will hold nominations and election of new officers for the 1960-61 year on Monday evening, March 14 at 8 p. m. at the Truckee Elementary School. Mrs. Calvin Farley, president, urges all parents and interested friends to attend this important meeting.

Members of the nominating committee, Weston Sauby, Mrs. Ben King and Mrs. Lee Apple, will present the names of candidates to be placed in nomination. The election will follow immediately. This combined nomination-election procedure is necessary due to the fact that no meetings were held January or February.

Founders Day, ordinarily celebrated in February, will also be observed during the Monday evening meeting. A silver offering will be taken, and refreshments will be served by hostess-mothers from Miss Kessey's fourth grade and Mr. Stevers fourth and fifth grade.

OUTDOOR SPORTSMEN PLAN FOR MEETINGS

Tomorrow evening at 7:30 members of the Truckee Outdoor Sportsmen and all others interested in fish and game preservation in the area will hold a meeting in Capitol Hall.

At this time plans will be discussed for the meeting to be held April 8 when officials of the California Fish and Game Department will be here to discuss the numerous questions pertaining to current fishing and hunting conditions.

TRUCKEE BOOSTED IN NATIONAL PAPER

Truckee and the surrounding area were featured descriptively in an article by Harlan Trott on the editorial page of the March 1 issue of the daily Christian Science Monitor.

The paper, international in circulation presented Truckee to the attention of many readers throughout the world.

Fire Chief Al Henry and his vol-
unteers are busy planning the an-
nual fireman's ball to be held
March 19 at the Tahoe Inn, starting
at 8:30 p. m. There'll be music
to dance by and a buffet later in
the evening. Tickets cost \$1.50. It

behooves us all to attend or buy
tickets. Proceeds are used for
needed equipment in the fire de-
partment. Invitations have been
mailed out but if you didn't re-
ceive one (like us)—buy a ticket
anyway. Since we live out of his
district, Fire Chief Henry sadly
admitted they didn't solicit the
"boondocks" whatever that is.
We're going anyway and tag the
man for a polka. Anyway, this is
a good cause of there ever was one
and should be supported by every-
one in the area.
Contributing for fire equipment
is the least we can do when these

volunteers give their time from
their own jobs and afford the com-
munity its only protection against
the biggest menace we have—fire.

Bob Anacario of Concord and
Tahoma came up for the day last
week and marveled at the mild
weather.

It was good to talk with Eliza-
beth Bavier of Truckee and see her
looking so well. We were lucky
enough to enjoy a visit with her
when Acting Postmaster Anna Mae
Higgins took us along to deliver
some Christmas packages that had
piled up during her hospitalization.

Celebrating March anniversaries
are Mr. and Mrs. Max Bretzfelder,
Mr. and Mrs. Carl Wheat, Mr. and
Mrs. Sam Goss, Mr. and Mrs. Joe
Pomin, Mr. and Mrs. Malcolm Fox
and Mr. and Mrs. Herman Schaefer
of Pfeiffer House. Those who add
a year this month are Mrs. Flo-
rence Vernon Mortag, Don Schnei-
der, Dorothy Bury, Anne Martin,
Karen Kenry and Don Kupka of
Tahoma. Many happy returns.

Al Henry may put out the fires,
but Marie Henry brings home the
bacon. Last Thursday Shell Oil
Company gave its annual dealers
meeting and dinner at Sparks. Al
had a public utility meeting to at-
tend, so Marie went with Ted Lew-
is, Dave Donaldson and Clark Ter-
rel of the Tahoe City Garage.
Marie was the only lady among 200
men. Some gals have all the luck.

Alice Ann Wirtz has turned over
her job at the Village post office
to Peggy Adams. Alice said that
the week after the games ended
the valley was so quiet you could
hear people breathing.

Bill Bate of Tahoe City had
surgery at Tahoe Forest Hospital
and is coming along fine, accord-
ing to Mrs. Bate.

Gary, Mike and Christian Burn-
er of Tahoe City are entered in the
Bee Silver Ski Race to be held at
Edelweiss on March 12.

The Jake Obexers returned to
Lincoln after enjoying the Olymp-
ics. Young Jake did the games
up in thorough style with Buddy
Stafford of Sacramento, who skip-
ped school in Oregon to see them.
Edna and Herb Obexer went down
to San Francisco for the boat show
last week. Which reminds us, it
won't be long before the water
skiers are zooming around on Lake
Tahoe, the great inland ocean.

Making Squaw Valley's Olympic
gold medal even shinier is the
praise heaped on the atmosphere
of the Games by the Russian
press. Russian newspaper Pravda
said: "The Olympic Games took
place in conditions of exceptional
friendship and comradeship. Our
thankfulness to the American
people for their hospitality and
good will." As Editor Barrett
stated last week, one of the most
notable things was the friendliness
and lack of impatience among the
spectators. Mrs. Patty Kilbourne
of Tahoe Park also adds her en-
thusiastic appreciation of this
spirit.

The Ray Grahn's spent February
traveling to Minnesota and San
Diego visiting relatives and are ex-
pected back shortly. Daughters
Rae Lee and Debbie went along
and took in Disneyland.

The Joseph Whelan ski cabin at
Squaw Valley was pictured in
color on the San Francisco

Chronicle magazine section cover-
ing interior shots in black and
white, emphasizing the new look
in the way of a flat roof, instead
of the high-pitched style with
heavy beams.

The Corpus Christi Guild is hold-
ing a benefit for the Queen of the
Snows Parish on April 18. Tickets
are 50 cents.

Like many other pin collect-
ors, Prentis Cobb Hale, president
of the OIC, returned to San Fran-
cisco from Squaw with a jaunty
Tyrolean felt hat had painstakingly
decorated with souvenir pins for
the last two years. Stolen during
the Olympics, it mysteriously re-
appeared and was found by the
Hale's butler, Adrian. Not a
single pin was missing.

Reports of stolen skis in the
Tahoe area in last week's Sierra

foil thieves is to leave each ski in
a different rack. It wouldn't be
as tempting to steal only one ski.

DONNER DOINGS

By VIRGINIA O'BEAR

Mr. and Mrs. Bill Knapp spent a few days in Healdsburg taking care of business matters and visiting with friends. While there they decided to go on down to San Francisco and visit with their son, John who is attending college and working there.

Mr. and Mrs. Roy Slate spent a few days in Rodeo this week visiting relatives and friends. It is the first vacation for Roy for quite some time and I know he will appreciate the rest and just "getting away."

Mr. and Mrs. Danny Brack of Cottage Pines are in Healdsburg for a week and Danny's father George is managing the motel until they get back.

Mr. and Mrs. Arnold Verdi have returned after taking off from their motel for a few days. This seems to be contagious as we O'Beares are taking off this week, too. We will spend a few days in San Francisco visiting my sister Mary and taking in the Sports and

Boat Show at the Cow Palace. Charlie has a week of his vacation now and our son Dave will care for the hotel so we will both take this opportunity to rest up and get away.

Richard Walker, our area sanitarian, will return this week after being in Healdsburg and Berkeley. Talked to Jean the other evening and she doesn't like this being alone, of course she couldn't accompany Dick this time because of her work.

The Winter Carnival held in the Veterans Memorial Building was a great success. Judges for the various ski clubs participating were Zeph Rose, Max Williamson, Jack Holgate, Maggie Avila and Jean Walker. Many interesting skis were presented and the winner was the Viking Ski Club.

A very interesting meeting was held at Donner Lake Lodge Sunday evening when members of the Donner Lake Resorts met to discuss a fish derby, brochures, signs for the highway and reducing membership dues and including non-business people at Donner and other areas as well as business people. A tentative rate has been set up for a year with a change to be made, either lower or higher

depending upon what the membership wants as time progresses. A rate was set for \$5 a year for non-business people interested in promoting Donner Lake, a rate of \$30 per year for business people and a rate of \$50 per year for large corporations doing business in our area such as the power company, telephone, etc. A special meeting is scheduled for this Sunday night at Donner Lake Lodge at 7:30 and it is hoped that a large turnout will be on hand to voice their opinions on the various subjects mentioned above. Besides the many things mentioned, the resorts members are planning to work hand in hand with the Truckee-Donner Chamber of Commerce, the Outdoor Sportsmen, the Fish and Game Commission and the Donner Lake Volunteer Fire Department in the welfare of Donner Lake, by doing this for Donner Lake, everyone in every area will profit by it, and be proud of beautiful Donner Lake.

The Ladies Auxiliary will hold their next meeting at Smart's on Thursday, March 17 for a dinner and business meeting. The theme for the evening will be St. Patrick's and hostesses Dorothy Slack, Bess Reid and Ozella Slate have an interesting meeting planned. Let's all go and back up our new

Brent Bradley, vice-president; Calvin Bechdolt, secretary. Denise Kimball brought her guinea pig to class and we enjoyed having it with us. One member of our class is on a trip to Mexico. He is Ray Street, so far he has sent us a postcard and we expect to hear more from him.

We are sorry to lose one of our boys, he is Kim Ridley who moved today for southern California.

THIRD GRADE: Our class president this week was Eric Poulsen.

FOURTH GRADE: During a sharing period, all the children had a chance to tell of their wonderful experiences during the month of February.

Newly elected class officers are Ernie Marier, president; Dianne McBride, vice-president; Edward Scott, treasurer; and Breezie Cross,

secretary.

FIFTH GRADE: Fifth grade star winners in the capital and state examinations were Barry Bradley, Jon Caulkett, Tad Hall, Mike Keigh, Kathy Coster, Lynn Harper, Gretchen Lawlor, Georgianne Luffy, Holly Wall, Mike Grayson, Jimmy Bechdolt and Rosemary Wary.

SIXTH GRADE: We have four new students: Judy Wood, Donna Drummond, Betty Hanagan and Stephen Ives. We now have 44 in the class.

This week we got off to a flying start with quizzes in spelling, arithmetic and social studies. One hundred in spelling went to Julian Bechdolt, Kai Smith, Cheryl Flory, Donna Drummond, Alexander Cushing, Linda Hammer, Kirstin Hanson, Judy Ingram, Karen McBride, Gwen Phillips, Kathy Ann Wilson and Judy Wood.

Boys who got 100's were Steven Rodgers, Benny Keechler and Jeremy Jorgenson. Dick Nielson got

COUNCIL DIRECTORS WILL HOLD MEETING

LAKE TAHOE — Directors, executive committeemen and chairmen of standing committees of the Lake Tahoe Area Council will convene March 18 for their bi-monthly meeting facing a full agenda preliminary to a summer of unprecedented activity according to B. E. Lowe, council president.

Second full meeting of the year for the council's governing body, the session follows a February meeting of its executive committee devoted to preparations for this month's session of the entire board of directors.

The Lake Tahoe Area Council's board is composed of thirty directors representing member business firms, property owner associations, public agencies and individuals. Membership on the board includes delegates from San Francisco, Fresno, Sacramento and Lake Tahoe communities in California, as well as from Reno, Carson City, Gardnerville and communities on the Nevada shores of the lake.

students from San Juan High School.

The students gained knowledge of how other schools operate and helped contribute by their participation to the knowledge of others.

The Tahoe Truckee ski team travelled to Edelweiss Saturday, March 5, to compete in their second Alpine ski meet of the year. The boys took top honors while the girls placed third behind El Dorado and South Tahoe High School. Weather was rainy so only the slalom event was held. Giant slalom was cancelled.

Next Saturday, March 12, the girls will travel to Reno's Sky Tavern to compete in the championship race—the last high school ski event for them this year. The boy's championship will be the following weekend.

SEVENTH GRADE: Top spellers in this room include: Wendy Broomhall, Don Bury, Penni Clarke, Lisa Davis, Ronda Fugere, Bill Hargadon, Eddie Hoff, Linda Sprague and Sherry Wall.

EIGHTH GRADE: As there were many changes in our class during vacation, we had to choose new officers for the remainder of the year. The following students were chosen, president, Eddie Gill; vice-president, Kim Turner; secretary, Karen Henry; treasurer, Dennis O'Connor.

DONNER TRAIL SCHOOL
PRIMARY: Back at school with much enthusiasm and vigor are the primary students of the Donner Trail school. All have stories to tell of their experiences during their months vacation. Some among the group have not yet returned because of illness. These students are Janice Kelly, who spent part of her vacation in the hospital, David Besold and Michael Allyn are also ill. Sharon Saunders has moved back to Truckee where she is attending the Truckee Elementary School. As the class is learning many new things we hope those ill will not miss very much school.

UPPER GRADES: The upper grade class started March with some interesting projects. We are working on some murals of Squaw Valley.

The fourth grade is drawing pictures of Olympic figure skating. The fifth grade is doing a scene of the jumping, and the sixth grade is doing a scene showing speed skating with the ice arena in the background.

FIRE PREVENTION IS YOUR JOB... TOO

DON'T GIVE FIRE A PLACE TO START!

NORTH TAHOE

By JUDGE HARRY CHARRISON

PEACEFUL

Everything is quiet and peaceful after the hustle and bustle of the past few weeks.

TRAVELERS

Hank and Mrs. Dodd are on their way to Hawaii. Hank says he had the urge to get up and go so he got up and went on a six weeks vacation.

COMING UP

El Tahoe Shrine have planned another big party for children activities at the Crystal Bay Club. Of course facilities and food donated by the club as usual. Buffet 7 p. m. until?

BUILDING

The addition to the North Shore Club is going along rapidly. I am told there is to be around 50 cabins, besides enlarging the club house, to be finished this spring.

SHRINE CLUB

Well over a hundred Islam Shrine Club members thronged Crystal Bay Club last Sunday morning. They came from San Francisco via Reno on Saturday, then to Crystal Bay for breakfast. They were sure a happy crowd and the club handled them in great style.

NEWCOMER

Henry Huot is the new bartender at Monte Carlo coming from Canada. We had quite a chat about the country we know so well. His wife and daughter will be here in a couple of weeks from Alaska.

WEATHER

What a weekend it was from Saturday to Monday. We had twenty four hours of rain.

CARD OF THANKS

CARS LOVE SHELL and we wish to thank our friends who have supported us in the past six years. We wish to remind them, also, we are still located at Ray & Mike's Garage at the same location with our friends, Ernie Crawford and Bac Frye.

WEST SHORE NOTES (Continued from Page 2)

the Ernie LePires are spending a month in Mexico.

Red Anderson, the Spitzens, the Carnells and the Vernons had a bit of sun and desert at Hemet recently.

Some of those homing pigeons used in the Olympic opening must have a gypsy strain. At Skyland three of them have adopted the Browns and ration their time between them and the Ed Iversons. Never had it so good.

The Lawrence Harts of Meeks Bay and Dallas, Texas enjoyed the Olympics and left for San Francisco where they were entertained.

Marge and Bill Ziebig held an open house March 1 at their Chicken House which was enjoyed by many local people and some of the Olympic workers from the Valley who are cleaning up last minute chores.

The John Twomeys and family of Walnut Creek are staying at the Neldam's Tahoma house. The Neldams are off to Las Vegas for a week with a party of friends and celebrated George's birthday March 5.

Bob Bosserdet of Tahoma is off for a short trip to Arizona and Colorado visiting his family.

The Charles W. Marrs, Tahoma, and Castro Valley spent some time at their Tahoma cabin during the games.

March Skiing magazine carries a handsome photo of Mrs. Frank Dutton and Mrs. Marcy Stephens

SCHOOLS WILL HOLD CLOTHING CAMPAIGN

Tahoe and Truckee Schools have taken "children helping children" as the theme of their March 14-18 Save the Children Federation Bundle Day Clothing Collection.

Supported since its inception by the nation's educators and school children, the Bundle Day Clothing Collection is in its 18th year under the auspices of Save the Children Federation, a non-profit, non-sectarian organization serving the needs of children in this country and overseas.

Says John S. Corbin, superintendent, "Our Children, their enthusiasm supported by that of parents and friends, can gain great knowledge of applied social science while helping Save the Children Federation meet the pressing need for clothing among underprivileged children in the Southern Mountains and overseas. More important, they will know the joy of helping others less fortunate than themselves."

Parents and neighbors are urged to empty clothes storage areas of good, used winter and summer garments their families no longer need. Clothes for babies, children and adults, as well as sheets and blankets are requested. Low-heeled shoes and overshoes of every size are especially useful. Last year during the coldest weather, many children of the Southern Mountains walked to school barefoot. Many others did not attend school because they lacked adequate clothing.

CARD OF THANKS

A thank you to all my friends for the lovely messages of cheer and the many kindnesses shown me.

Sincerely,
GOODIE MORI

WOLVERINES

(Continued From Page 1)

only 30 seconds remaining, Bob Merica rammed home a free throw to give Tahoe Truckee its 41st point and climax its tremendous comeback victory.

The following evening Douglas again dominated play and ran away with a 64-40 win over the Wolverines despite a tremendous performance by 5 ft. 8 in. Marty Kumle who held 6 ft. 9 in. Bill Kinkle to a low nine point total in addition to limiting his rebounds to a paltry few.

Bob Merica couldn't miss in the first half as he hit for 14 of his game-leading 1 point total, but he received little help from his teammates who were effectively bottled up by the aggressive Douglas defense.

As for Douglas, they capitalized on the long pass to spurt to a 37-20 half-time, and coasted into a reservation in Las Vegas from there.

Other scoring efforts for the locals included Chuck Bergman's six and Sam Medford's 8 points. McDonald and Wyatt teamed up for 15 and 14 respectively to lead Douglas.

Friday's action closed out the careers of five seniors at Truckee. Our congratulations to Bob Merica, Marty Kumle, Sam Medford, Jim Loynd and Merrill Englehart for their fine efforts.

TAHOE WEATHER

TAHOE CITY — Nearly two inches of rain fell at Tahoe City during the weekend storm, bringing the snow on the ground here to 16 inches Monday. Temperatures have varied from 32 to 46 degrees during the week. With two gates open, the level of the lake Monday was 6225.52, subject to revision.

LOCAL STUDENTS AT EDELWEISS SKI MEET

By VALERIE MANDEVILLE
The Tahoe Truckee Ski team competed in the meet at Edelweiss Saturday, March 5, the boys' team coming in first and the girls' in third place.

The students packed the 60 gate course because they could not get lift tickets, and the poor weather conditions of freezing rain and some wind delayed the race from ten to twelve o'clock.

In individual competition, the girls' team brought in a 6th by Patty Lewis; an 8th by Valerie Mandeville and a 12th by Lin Giovannoni.

The boys' team made first place. Individually they placed: Jimmy Heuga, first; Bob Forster, 2nd; Bob Hobbs, 12th; Nick Stone 14th; Paul Franklin, 11th; and John Suter 20th. Bill Connors was disqualified.

In the girls' meet, South Tahoe ranked first, El Dorado second, and Tahoe Truckee third.

In the boys' meet, Tahoe Truckee ranked first, Leevining second and Manogue third.

Coach Eugene Goodrich accompanied the teams.

VOLUNTEERS LISTED FOR FUND CAMPAIGN

Many volunteers have been mobilized by the Rebekah and Odd Fellows Lodges to call upon their neighbors during the heart fund drive to collect contributions for the Heart Association. Janet Franklin and William Davis, chairmen, complimented the captains for the good job of enlisting volunteers to make the door to door collections.

The lodge people have been busy since January preparing for the drive to make it the most successful ever held.

Contributions received will be turned in to the county heart association to support the association's local, state and national program of research, community service and education.

STATE SEEKS BIDS ON GOLD RUN PROPERTY

The state division of highways today asked for sealed bids for the purchase of 0.04 acre adjacent to U. S. Highway 40 near Gold Run, about 25 miles northeast of Auburn, according to officials at the Marysville district office. Bids will be opened there March 25.

The property is a portion of that acquired by the state in connection with freeway construction completed last summer, and is not needed for highway purposes. The triangular-shaped plot is located 900 feet southwest of the Gold Run overcrossing on the southeast side of the freeway abutting the frontage road.

Minimum acceptable bid is \$40, and minimum deposit, \$44.40 which includes recording fee. For additional information contact Division of Highways, 703 B Street, Marysville; Sherwood 3-5421, ext. 358.

VARIEN FREY WINS SPEAKERS' CONTEST

Varien Frey, daughter of Mrs. Muriel Frey, and a junior at Tahoe Truckee High School, won first place in the Lions Club speakers contest, held at Donner Lake Lodge last Wednesday. She will compete in the zone contest, in Reno, on March 15.

Albert Eberhart, a TnT freshman, won second place, and general acclaim from the appreciative audience.

The subject of the contest was: "People to People—Key to World Understanding."

They were accompanied by their coach, Mrs. E. Stewart.

INJURED

Mildred Louise David of Tahoe City suffered minor injuries Tuesday evening 2½ miles north of Tahoe City when her car ran off the highway. Officers said they believed she may have fallen asleep at the wheel.

CARD OF THANKS

I take this means of expressing my sincere thanks to our many friends who were so kind and thoughtful during my recent illness and hospitalization.

RICHARD WALKER

CARD OF THANKS

We wish to take this means of thanking the Donner Lake Volunteer Fire Department, the Truckee Volunteer Fire Department, Rex Reid and all others who helped so efficiently during the fire at our place on Tuesday.

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
Spiritual treasures are available to all—this is a theme of the lesson-sermon entitled "Substance" to be read at Christian Science services Sunday.

The divine source of true substance will be brought out in passages to be read from the Bible, including the following:
"Treasures of wickedness profit nothing; but righteousness delivereth from death. The Lord will not suffer the soul of the righteous to famish; but he casteth away the substance of the wicked. . . . The blessing of the Lord, it maketh rich, and he addeth no sorrow with it" (Proverbs 10: 2, 3, 22).

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following will be read (45:14): "Man walks in the direction towards which he looks, and where his treasure is, there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the Spirit."

ANNOUNCE

Both Supervisor Mosco Smart of Nevada City and W. W. Bishop of Grass Valley, as well as H. G. Loehr of Truckee, have announced they will be candidates for reelection at the June primary election.

From Roseville—
Mr. and Mrs. Rich McCrary of Roseville visited relatives last week while attending to local business.

From Reno—
Mrs. A. B. Polyanich of Reno visited local friends on Tuesday and attended to business affairs.

Joe Copeland has been working for the California Division of Highways since his return last month from military service for the past two years in Korea.

EXCHANGE OF SQUAW LAND IS APPROVED

SQUAW VALLEY — The exchange of 2,970 acres of land in the lower Picayune Valley near here for 734 acres of national forest land, 200 of them in Squaw Valley, has been sanctioned by forestry and county officials.

The barter involves the private lands of Alfred Kuhn and Verne Miller of the North Fork Association at Soda Springs. The transaction also includes a trade of 160 acres south of Soda Springs for 40 acres a few miles south-east.

The forest land, which will be turned over to the association, in-

cludes the Squaw Valley acreage and land parcels near the headwaters of Juniper Creek, seven miles east of Truckee.

Henry E. Brannagh, supervisor of the Tahoe National Forest, recommended the trade. He said some of the forest lands involved in the switch probably will be used for commercial ski development.

GUILD PARTY

The Assumption Guild of the Truckee Catholic Church will sponsor a St. Patrick's bingo party at Parish Hall in the church Thursday, March 1. The public is invited to participate in the program.
